

**Mobility Among Secondary School Leavers From Selected District Towns,
Peninsular Malaysia.** Manjit S. Sidhu. [*Akademika* 9](#)

ABSTRAK

Makalah ini mengkaji tentang mobiliti murid-murid baru lepasan sekolah di enam bandar yang merupakan ibu daerah. Makalah ini akan meneliti: (i) Mengapa murid-murid baru lepasan sekolah berpindah; (ii) ke kawasan mana mereka berpindah dan mengapa? (iii) adakah mereka itu bertumpu ke destinasi yang berbeda?

ABSTRACT

This paper studies the mobility of school-leavers from six different towns which are district headquarters. It seeks to find out: (i) why school-leavers migrate (ii) to which areas do they migrate to and why? (iii); do destinations differ among the different school-leavers?
